

Healthy Lifestyle Team Member - Bethlehem

If you are looking for an opportunity that provides a sense of purpose, blending your work and lifestyle, while providing diverse engaging activities daily, this may be for you.

Kellyn Foundation, a Lehigh Valley based 501(c)3 non-profit is looking for a Healthy Lifestyle Team Member to join Kellyn in educating and implementing programs that help individuals and families across the Lehigh Valley lead a healthier life. As a team member, you would be involved in many aspects of our Healthy Neighborhood Immersion Strategy, www.kellyn.org.

The Healthy Lifestyle Team Member will engage with our “Eat Real Food” Mobile Market sites, work in and manage school gardens, and assist in educating students and adults regarding healthy lifestyle

On the mobile market the Team Member will be responsible for providing excellent customer service and assisting in the daily operations of the market including:

- Setting up and breaking down the market at each stop. This includes carrying crates of produce and setting up tables and tents.
- Stocking and maintaining the appearance of the produce display
- Working the register and handling cash and other payment systems
- Supporting customer relationships and answering any questions regarding available items
- Organizing and cleaning the market vehicle

In the school gardens the Team Member will be responsible for maintaining school gardens and the area immediately around them, including:

- weeding, mulching, and watering
- interacting with students, school district staff and families at each of the gardens

During the school year, the Healthy Lifestyle Team Member will be trained and certified to assist, then eventually lead in-school classroom programming, teaching Healthy Lifestyle presentations to elementary school students.
