

Mobile Market Driver/Healthy Lifestyle Team Member

If you are looking for an opportunity that provides a sense of purpose, blending your work and lifestyle, while providing diverse engaging activities daily, this may be for you.

Kellyn Foundation, a Lehigh Valley based 501(c)3 non-profit is looking for a Healthy Lifestyle Team Member to join Kellyn in educating and implementing programs that help individuals and families across the Lehigh Valley lead a healthier life. As a team member, you would be involved in many aspects of our Healthy Neighborhood Immersion Strategy, www.kellyn.org.

The Healthy Lifestyle Team Member/Mobile Market Driver will be driving an Eat Real Food Mobile Market 27 ft. trailer on a regular daily schedule.

The Team Member will be responsible for providing excellent customer service and assisting in the daily operations of the market including:

- Safely driving the “Eat Real Food Mobile Market” to and from sites across the Lehigh Valley.
- Ensuring that all product and supplies that are required are loaded safely on the market in the AM and the remaining product is safely unloaded at the end of the day.
- Setting up and breaking down the market at each stop. This includes carrying crates of produce and setting up tables and tents.
- Stocking and maintaining the appearance of the product display
- Working the register and handling cash and other payment systems
- Supporting customer relationships and answering any questions regarding available items
- Organizing and cleaning the market vehicle

The Team Member will also be trained and certified to assist, then eventually lead in-school classroom programming, teaching Healthy Lifestyle presentations to school students.
